I hope everyone had a great New Year. We are excited about QXpress and what it will have to offer in 2012 and we thought what better way to start the New Year than with a great Sales promotion. If you are evaluating QXpress as a scheduling option for your company, this month is the perfect time to sign up:

- If you sign up with 2 new QXpress users either as a rental or purchase, we will add a 3rd license for **FREE!** That's **3 licenses for the price of 2!**

- Also, if you are looking at adding 4 licenses of QXpress as a new user, we will add the 5th license for **FREE** as well as discount QX Mapping by **50% off!**

Both of these promotions are **only available for the month of January** so if you are interested in signing up or have any more questions, give our QXpress Sales Team a call @ 1.888.797.7377 ext. 3.
